Jeni Herbert is a paralegal in the Tort and Insurance Litigation department with over 20 years' experience in the legal profession. She mainly works on professional liability cases and enjoys working with engineers, architects and experts. Jeni goes to great lengths to gain knowledge of each client's specialty, project and specific circumstances.

Prior to joining Henderson Franklin, Jeni worked for an insurance defense firm in Buffalo, New York, focusing on construction litigation and municipal law. Jeni feels that Henderson Franklin is the best place to work as she has the opportunity of growth, along with the support of colleagues who share a similar vision.

Jeni grew up in New York, where she earned her B.A. in Paralegal Studies from Hilbert College. She is also a Florida Registered Paralegal, Notary Public and a member of NALA. Jeni and her husband have been together twenty-four years and share four beautiful children. Outside of work, Jeni is a writer of poetry and youth inspiration.
